Overview

Last year, the legislator announced two major reform projects: a comprehensive BRAO reform (German Federal Lawyers’ Act) and changes for auditors with the FISG (German Financial Market Integrity Strengthening Act).

For this year’s PI Risk Day, we will be focusing on these two topics over different sessions:

23 February 2021: Compliance in law firms

- Regulatory Risks in a Remote World - An English Perspective
- BRAO Reform: Schwerpunkt Compliance und Interessenkonflikte
- Kanzleien unter Druck: Worauf es beim Reputationsschutz in Zeiten von CumEx & Co. ankom
